A quick reminder to skip the stores and save both time and money on back-to-school shopping with a Sprout School Supply Kit. These kits are teacher-approved, matching Laurel Park's supply lists and will be delivered to school and ready for the first day.

Again this school year, we will be offering families the opportunity to Pay It Forward and purchase an additional school supply kit to donate to a deserving child at our local school if they are interested. All Pay It Forward Kits will be provided to the administration at the close of our sale and distributed to local students, so they are all set for the first day.
